# UC Testing Policy: Potential Changes & National Impact

## UC considering reinstating an SAT/ACT requirement

- Faculty believe grades alone may be poor predictors college success
- New policy may be **test-optional**, **major-specific**, or **math-only policies**
- Any change would likely create greater testing pressure for students across the country
  - UC system has significant national influence
- Announcement expected June 2027
- Earliest likely impact to class of 2029

# Admission Rates

| College                           | Test Submitters | Admitted w/ Scores | Admitted w/out Scores | Testing Advantage |
|-----------------------------------|-----------------|--------------------|-----------------------|-------------------|
| <b>Vanderbilt University</b>      | 56%             | 7.3%               | 6.0%                  | 22%               |
| <b>USC</b>                        | 49%             | 13.9%              | 10.9%                 | 28%               |

# PSAT National Recognition Program

- New program launched in 2025 (*separate from National Merit*)
- Recognizes students in the following categories
  - School Recognition Award
    - Top 10% of test takers within their school
  - First-Generation Recognition Award
    - Top 10% of test takers within their school
    - On track to become first in their family to earn a 4-year degree
  - Rural & Small-Town Recognition Award
    - Top 10% of test takers within their school
    - Attend school classified as rural or small-town

# Should you test?

- Should you test?
  - Yes
- Should you submit scores?

# Understanding Test Optional

## “Test Optional” means different things at different colleges

- Duke:

*“...test scores do add information that admissions officers find useful in assessing a student’s preparation, and how a student compares to the applicant pool as a whole. There were certainly some students where we wish we’d had scores and we didn’t.”*

- Northwestern:

*“While high school grades are a strong predictor for academic success in college, the combination of grades and standardized test scores has been shown to strengthen that prediction.”*

- [Visit our College Testing Policies Table](#) 
  - Under “SAT/ACT Policy” click “Learn More” to read testing policies from colleges you are interested in.

# Understanding Test Optional

## **Broad Guidelines**

Consider submitting if you. . .

- believe your scores are an accurate representation of your ability.
- have scores that are above average for the college you are applying to.
- have scores that are above average for your high school or neighborhood.
- have a blemish on your high school transcript and wish to make up for it with a high SAT or ACT score.

For a deeper understanding read "[What Does Test Optional Really Mean?](#)" 

# SAT & ACT The Basics

# SAT vs. ACT

- Which test is more widely accepted, ACT or SAT?
  - Neither.
  - Every college that accepts an exam will accept either SAT or ACT.
- Which test should you take?
  - The test you are performing best on.
  - Take practice exams to determine.

# Concordance Table

| ACT COMP | SAT TOTAL | SAT RANGE | ACT COMP | SAT TOTAL | SAT RANGE |
|----------|-----------|-----------|----------|-----------|-----------|
| 36       | 1590      | 1570-1600 | 22       | 1110      | 1100-1120 |
| 35       | 1540      | 1530-1560 | 21       | 1080      | 1060-1090 |
| 34       | 1500      | 1490-1520 | 20       | 1040      | 1030-1050 |
| 33       | 1460      | 1450-1480 | 19       | 1010      | 990-1020  |

Digital SAT - Practice Test #1 - Nov 10, 2023

3

Caravaggio was an Italian painter active around 1600. His style was very distinct and enchanting, combining realism and high lighting contrasts in a way that added drama and intensity to the scenes portrayed. His peculiar use of shadow was a prime influence on the work of later generations of Baroque artists who also explored artistic extremes.

As used in the text, what does the word "peculiar" most nearly mean?

- A. singular
- B. abnormal
- C. indisposed
- D. discernible

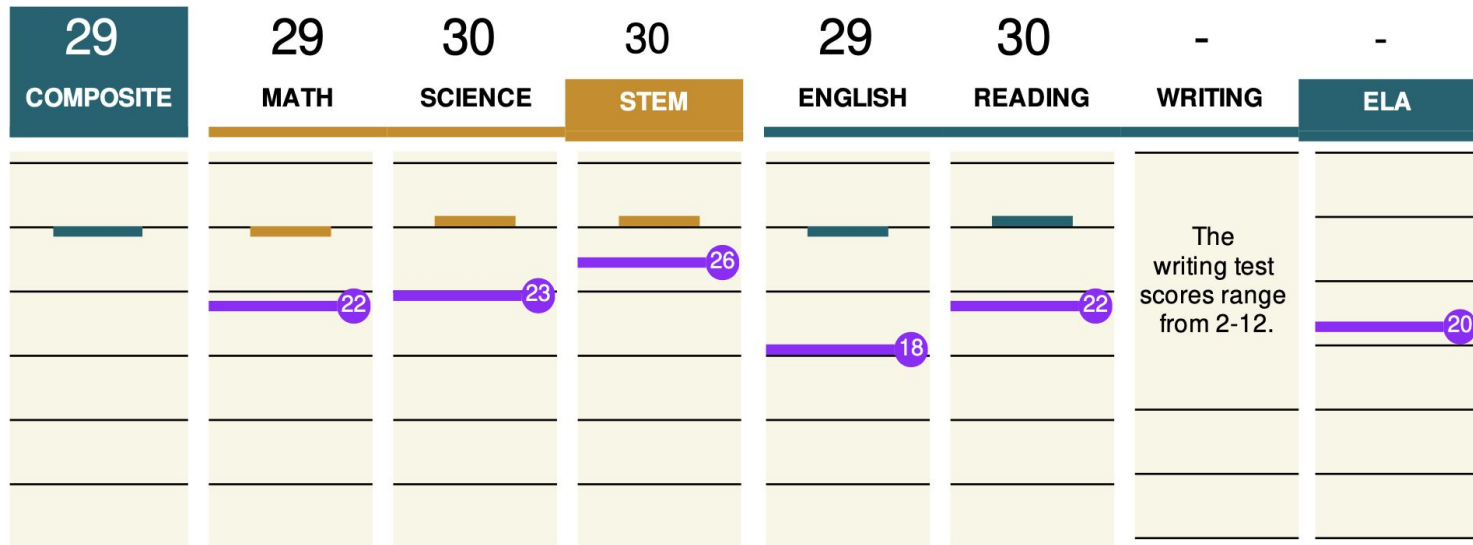

You selected answer B. The correct answer is A.

ACT math, science, English, and reading test scores and the Composite score range from 1 to 36. For each test, we converted your number of correct answers into a score within that range. Your Composite score is the average of your scores for English, math, and reading, rounded to the nearest whole number.

### ENGLISH 29

|                                 |       |     |                        |

### WRITING -

- Ideas and Analysis
- Development and Support
- Organization
- Language Use & Conventions

If you took the writing test, your essay was scored on a scale of 1 to 6 by two raters in each of the four writing domains. These domains represent essential skills and abilities that are necessary to meet the writing demands of college and career. Your domain scores, ranging from 2 to 12, are a sum of the two raters' scores. Your writing score is the average of your four domain scores rounded to the nearest whole number. To learn more about your writing score, visit [www.act.org/the-act/writing-scores](http://www.act.org/the-act/writing-scores).

# The New Digital SAT

- Computer Based Exam
  - Not a take home exam – proctored at a school or testing center
- Technology
  - Students use either a school provided device or a personal device
    - Laptop, desktop, or tablet (no smartphones)
  - Testing application must be installed prior to testing
    - Students can try it out now: [download "Bluebook" App here](#) 
  - If internet connection is lost during testing, students will still be able to continue testing. Their results will upload to College Board once the connection is re-established.
